Description: The earth, the moon, and the magical path to enlightenment. Written by a practicing witch who conducts classes and seminars on witchcraft—the oldest Western religion, a means of power and enlightenment, and a healing art. “Laurie Cabot has written a fascinating account of a beautiful and sadly misunderstood religion, witchcraft. She has with her life...

Review: I liked this book. The author is very dedicated and the subjects are easy to follow. Why then, you may ask, only three stars? The answer is very easy really. The first reason I gave this book three stars is that it is a bit dated and its not such a good book that it will always be entirely relevant and exciting to new audiences. The other reason is...
